WHAT'S BEEN HAPPENING IN FOUNDATION

FOUNDATION LEARNING

DINOSAURS

During Term 3 the Foundation students have been exploring the wonderful world of Dinosaurs.

The students have been learning about different types of dinosaurs, their names, their weights and what type of eater they were.

The students have been reading, writing and sharing different facts about each of the dinosaurs from all their learning that they have done throughout the term.

Here are some interesting facts the students have wanted to share with you.
