

Dear Parent/Guardian,

24th October 2022

Eltham Primary School is looking forward to another great year of teaching and learning and would like to advise you of Eltham Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to develop rich programs beyond the scope of a traditional primary school, in addition to our core business of ensuring students are literate, numerate and curious. We have well resourced literacy and numeracy programs, where teachers and students draw upon textual, concrete and digital materials to enrich learning. We are continually building upon these to find innovative new ways of engaging and supporting students in their learning.

Our specialist programs of Art, Science, Indonesian, Kitchen/Garden, PE and Sustainability are exemplary. Your financial contributions assist us to provide varied Art, Science and Indonesian supplies, Kitchen/Garden and Sustainability resources and PE equipment. Our fantastic playgrounds, play spaces, sports facilities have all been supported through our combined efforts.

Additional programs we can offer because of your contribution include choir, art shows, community events, Indonesian Day, and wellbeing programs such as School Wide Positive Behaviour (SWPBS) and Pop ups.

Parents are able to pay either the total amount by 8th February 2023, or of via 4 Instalments due at the commencement of each term.

Please note, as per Department guidelines, no invoice will be issued.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

.....

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
